

FIRST ANNOUNCEMENT

The 5th Asia-Pacific Drying Conference (ADC07)

13-15 AUGUST 2007

Hong Kong, China

General Information:

This biennial conference series provides an international forum for drying academic researchers and industry to exchange their ideas and present their most recent findings. Format will be similar to that of IDS symposia.

In addition to general topics that are usually covered in various drying conferences, the 5th Asia-Pacific Drying Conference would encourage the participants with the following expertise to submit papers:

- **Energy consumption in drying; Green drying technologies**
- **Ecological aspects of drying**
- **Quality of dried products**
- **New constructions of dryers**
- **Alternative technologies for drying**
- **Role of drying in biotechnology**
- **Role of drying in nanotechnology**

Venue: Campus of the Hong Kong University of Science and Technology

Date: 13-15 August 2007

Honorary Chairman

Professor Arun S Mujumdar

Engineering Science Program & Department of Mechanical Engineering
National University of Singapore, Singapore. mpeasm@nus.edu.sg

Chairman

Professor Guohua Chen

Department of Chemical Engineering

The Hong Kong University of Science and Technology

Email: kechengh@ust.hk

Tel: (852) 23587138 ; Fax: (852)23580054

Tentative deadlines:

Abstracts of 300- 400 words due: November 30, 2006.

Full papers are due March 15, 2007. Selected papers will appear in a special issue of Drying Technology after peer reviews.
