

Prof. Arun S. Mujumdar's

Transport Processes Research Group

November 21, 2020

Professor Mujumdar's research is categorized under Food Science; it is ranked 25th out of 48453 researchers in this field.

Hearty Congratulations, Prof. Arun S. Mujumdar ...!!!

A recent bibliometric study from a research group at Stanford University has ranked Top 2 percent of researchers in the world in diverse areas. The work is published in <https://journals.plos.org/plosbiology/article?id=10.1371/journal.pbio.3000918>

The mentor of our research group, Professor Mujumdar's research is categorized under Food Science; it is ranked 25th out of 48453 researchers in this field. As he is an honorary Adjunct Professor at McGill University the achievement is credited to McGill University. Interestingly, Professor Mujumdar has researched in chemical, mechanical, mining, and food engineering areas and has published over 600 peer-reviewed papers in four decades.

TPR group members wish him all the best for future endeavors...!!!
