An International Journal

March 12, 2021

Hearty Congratulations, Prof. Sakamon Devahastin ...!!!

On March 12, 2021, Prof. Sakamon Devahastin of King Mongkut's University of Technology Thonburi (KMUTT), Bangkok, Thailand received the 26th Thailand Toray Science and Technology Award, which has been given on an annual basis since 1993 by the Thailand Toray Science Foundation. The Award was indeed announced in late 2019 and the Award Ceremony was initially planned in March 2020. The Ceremony, however, was postponed to the aforementioned date due to

Covid-19 pandemic.

The Thailand Toray Science and Technology Award is given to person, group of persons or organization exhibiting exceptional quality of scientific or technological achievement with clear benefits to the Thai society.

Editorial team members wish him all the best for future endeavors...!!!
