

Prof. Arun S. Mujumdar's

Transport Processes Research Group

Hearty Congratulations, Dr. Agus Sasmito...!!!

The TPR Group is pleased to congratulate Dr Agus Sasmito, Associate Professor in Mining Engineering and Material Science of McGill University on his award of 2021 McGill University Principal's Award for Outstanding Emerging Researcher. Dr. Sasmito obtained his PhD in Mechanical Engineering from the National University of Singapore (NUS) under the mentorship of Prof. Arun Mujumdar, who established the TPR network while at NUS.

TPR group wish him all best for future endeavors...!!!

Prof. Arun S. Mujumdar
Principal Mentor, TPR Group
